

ITTIPOLO VONGAPAI

FULL-STACK DEVELOPER

ABOUT

Full-Stack/Front-End Developer with 3 years of experience. Specializing in web and mobile app development using React, Django, and Tailwind CSS, my role involves working closely with various teams to plan, build, test, and launch reliable software. In addition to improving code quality and exploring new tech options, strong analytical skills, keen attention to detail, and a proactive attitude drive my commitment to delivering a high-quality solution.
